Now that the war of the revolu-
tion is over, it is the duty of every
man to support the existing form of
government. Although things may
not move with that cordiality that
would ensure an everlasting peace,
still they may be allowed to subside
into that indifference without animosity
that would allow either party to
work out their best interests. All
things considered it may be for the
best, but time, the only arbitrator in
such cases, must alone decide that

will do your work in good shape

Truly Marvelous

A Cure Seldom Equalled in Med- ical History

Long Beach, Cal.

Over all diseases caused by or arising
from impure blood, Hood's Sarsapa-
rilla seems to have almost magical con-
trol. Even where all kinds of treat-
ment utterly fail, Hood's Sarsaparilla
accomplishes the most remarkable
cures. In illustration of this, please
read the following frank letter of Mr.
Freeby, voluntarily endorsed by the
Postmaster and Druggist of the town:

"My wife sprained her ankle ten years
ago. It apparently got well to all outward
appearance, it being a little larger than
the other ankle, but in a few months

the first sore. The doctors said they
would not amount to anything, but in a
few days they turned out to be more ulcers,
and in a short time they had eaten into
the original sore and made a large wound.
The surgeon next decided that an

Operation Must Be Performed.
My wife would not consent to this. I was
about discouraged and decided to have her
try a bottle of Hood's Sarsaparilla. Besides
giving her this medicine we bandaged her
foot in steeped leaves and roots and con-
tinued this treatment for five months. At
the end of that time she had taken eleven
bottles of Hood's Sarsaparilla, the sores
were all healed and she is perfectly well.

Hood's Sarsa- parilla Cures

three sores broke out on her knee, her
ankle, and foot. They became

Large Running Ulcers

and the doctor could not do anything to
help. I then took my wife to the hospital
and the surgeons scraped all the flesh
round the sores, and said they would get
well. They almost healed up, but soon
two little specks came, one on each side of

My wife is 52 years old and is in the best
of health." JOSEPH C. FREEBY, Long
Beach, California.

Postmaster Holman
of Long Beach, Cal., says he knows Mr.
Freeby to be a man of his word, and he
believes his statement to be strictly true.
